## History of the Foundation

The South Bay Police and Fire Memorial Foundation was created in June 1994. Our vision includes fundraising events that are used to create a solid financial base to provide support to police officers, firefighters, and their families when they find themselves in an unexpected time of need.

## Medal of Valor Ceremony

This annual event is given in appreciation of the exemplary service provided by the South Bay Police and Fire agencies and provides special recognition to those who have performed acts of bravery that go beyond the call of duty. Donations and sponsorships for our events come from the South Bay Community and is the sole source of funding to support our public safety community when disaster strikes.
